The Center for Academic Success and Accessibility Services (CASAS; formerly DRC) provides comprehensive support for Southern students. CASAS houses the University's tutoring, writing support services, and PALS as well as academic coaching and programming related to your success in the academic environment.
Additionally, Southern provides reasonable accommodations in accordance with the Americans with Disabilities Act and Section 504 of the Rehabilitation Act, for students with documented disabilities on an individualized basis. If you are a student with a documented disability, the University's Accessibility Services can work with you to determine appropriate accommodations. Before you receive accommodations in this class, you will need to make an appointment with Accessibility Services, located in Buley Library, Rm 303. To discuss your approved accommodations or other concerns, such as medical emergencies or arrangements in case the building must be evacuated, please make an appointment to meet as soon as possible.
